Jagadeesh A

Chennai, India

+91-9941612791 — jagadeeshofficial2005@gmail.com — LinkedIn

Professional Summary

Final-year B.E. CSE (AI & ML) student with hands-on experience in machine learning, full-stack development, and computer vision. Proficient in Python and JavaScript stacks with practical knowledge of AI-powered applications. Proven ability to build functional, responsive systems and collaborate effectively in teams.

Technical Skills

- **Programming:** Python, HTML, CSS, JavaScript, MongoDB
- **Frameworks/Libraries:** Flask, TensorFlow , OpenCV
- **Tools & Platforms:** Git, GitHub, Jupyter Notebook, Google Colab, REST APIs, VS Code
- **Soft Skills:** Time Management, Adaptability, Creative Thinking, Team Collaboration

Relevant Coursework

- Machine Learning
- Deep Learning
- Computer Vision
- Data Structures & Algorithms

Experience

AI & Data Analytics Intern — Edify Techno Solutions
Jun 2024 – Jul 2024

- Worked on data preprocessing and model training for real-world datasets.
- Assisted in deploying AI models with API integration.

Artificial Intelligence Intern — Acmegrade
Jan 2024 – Feb 2024

- Built ML pipelines for classification tasks, improving training efficiency and accuracy.
- Implemented Python-based automation for dataset handling, reducing manual effort.

Projects

Art Style Transfer — Python, CycleGAN, Flask
Developed an image transformation system that converts photos into artistic styles using CycleGAN and deployed as a web-based interface.

Speech Emotion Recognition — Python, Librosa, TensorFlow
Built a system to detect emotions from speech input using pre-processing, feature extraction, and classification models.

Gesture-Based Control System — Python, OpenCV, TensorFlow
Created a hand gesture recognition interface enabling webcam-based app control with 80%+ gesture accuracy.

Education

Jerusalem College of Engineering, Chennai — B.E. CSE (AI & ML)
2022–2026 (Expected)

Certifications

- Winner — Hackathon 2025, AM Jain College
- Workshop: AI - The Next Frontier (Hands-on Python and AI Models)
- Attendee — Kurukshetra '24 Tech Festival (Project Showcase)

Achievements & Leadership

- Hackathon 2025 Winner (AI Project)
- Active participant in tech fests and coding events
- Organized team projects and collaborative workshops

Languages

Tamil, English

Hobbies & Interests

Painting, Travel, Music
